- Once set up, boots are not to move, or leave before 12 noon - due to public safety.
- Please bring your own tables – avoid selling electrical goods – no pirate DVD's – NO Traders.
- We recommend a minimum of two adults selling for each boot – to supervise and control set up, which tends to see competitive early buyers.

- Toilets will be available by Salisbury Fire Station – including upon request, disabled facilities.
- Catering and refreshments are available to the side of Salisbury Fire Station at great prices.
- Please leave your Car Boot pitch as clean as you found it – taking home unsold items and litter.
- Leave the whole site by the EXIT in use on the day – with care and consideration.

Please be aware that a number of other events will be held in the vicinity of the River Avon and Five Rivers Leisure Centre on the same morning – so there will probably be a greater footfall and things of interest for the whole family – including a Bubble Football competition on Fisherton Rec and a River Float down the River Avon to Ashley Green – as part of the Five Rivers Festival – within the Salisbury Festival period.
