

The Rotary Clarendon Marathon 2022

Salisbury to Winchester

Full Marathon / Half Marathon / Relay (x4) / Mini (5 mile)

Sunday 2 October 2022

it's tough
but you'll
love it

If you are looking for a marathon which is off road, picturesque and challenging, then running the Clarendon is the ultimate.

Our route takes you from Salisbury to Winchester along the ancient Clarendon Way with a few extra turns here and there to make up a full 26.2 miles. More than 90% is off road, with the trail following country tracks and paths many of which have not changed since being travelled by the ancient Kings and Queens of England.

Our marathon event was first run in 1998. It was founded by Paul Elderkin, a keen runner and member of a local Hash House Harriers Club. Since 2013 the event has been managed by the Rotary Clubs of Winchester and Salisbury. All money raised will be given to good causes. You also have the opportunity to raise extra sponsorship for your own chosen charity. We hope that you will be able to join us this year to help make the Clarendon Marathon even more successful and raise money for a wide range of charities.

The entry fee, inclusive of medal and tshirt, is £40 per person for the full marathon and £30 for the half marathon and £25 for the mini. Relay team entries are £90 for a team of 4. For more details of costs and to book your place, please see our website.

For more information and booking forms, please visit our website:
www.clarendon-marathon.co.uk

Can you get a team of 4 together for the relay?

Experience the magic of the Clarendon without having to run the full 26.2 miles! Yes, you don't have to run the full marathon or the half marathon to take part. Why not get a group of 4 friends together and run in a relay?

We have prizes for the fastest all female team, fastest all male team and fastest mixed sex team. Each team member will be running approx 7 miles (10km).

The most challenging section for the strongest member of your team is the 3rd section which goes from Broughton across to Kings Somborne and then all the way to the top of Farley Mount.

Entry is £90 per team.

Last year's fastest teams were:

All female: - Time: 3:15:35
S Parkinson, K Borland, S Perry, K Bailey

All male: - Time: 2:51:27
S Sanders, B Nutley, C Coveney, L McMurray

Mixed: - Time: 2:59:42
B Wood, G Mitchell, L Bailey, J Dinkele
